

October 1, 2021

Dear Colleagues and Students:

These are ever-changing times. We know there are a number of hurdles to overcome; collectively we will accomplish the Chancellor's directive and guidance by focusing our efforts on these two priorities:

- To safeguard the health, safety, and welfare of our faculty, staff, and students
- To enable students to progress toward their educational goal

Positive COVID Cases

This week there was three reported student cases and no employee cases.

Testing

We are working with Northland Health to bring COVID testing on campus. As soon as plans are finalized, all employees who signed up for weekly testing will be notified.

For more information about the Employee Vaccination Policy, [view the Minnesota Management and Budget \(MMB\) HR/LR Policy #1446](#), or [view the COVID-19 FAQs for state agency employees](#).

NHCC Vaccine Clinics

There will be a vaccine clinic on October 8 from 11 a.m. to 4 p.m. in the Center for Business & Technology Grand Hall (CBT 195). The two-dose Pfizer vaccine will be administered. They will administer first and second dose vaccines. The clinic is open and free to employees, students and community, and no advance registration is required.

Better Together,

Victoria DeFord, Human Resources Director
